

Movers and Shakers - A Guide to Influential Ideas

Influencers unite! Gain insight and inspiration as we walk a mile in the shoes of kids, creatives, and thinkers who used clever, inventive, and original thought processes to make significant impacts on the world. Explore the imagination and creativity they used to influence everything from culture, art, science, business, to even the way we think and communicate. Do you have the creativity, wit, grit, and heart to be an influencer in this world? The sky's the limit with Movers and Shakers!
