

## Beach Ball Chatter

**Objectives:** Demonstrate increased knowledge of word meanings  
Demonstrate ability to appropriately use words in sentences

**Materials:** Beach ball with target words (or pictures) written on it

**What to Do:** This activity is great for both large and small groups. Have students sit in a circle on the floor. Toss the ball to a student and have them read/name the word/picture that their right thumb (left pointer finger, palm, etc.) is touching. Then have the student tell what the word means and/or have them use it in a sentence. Then have the student toss the ball to someone else and begin again.
