Art/ Creativity

Cotton balls and glue to create snowmen or add snow to a picture

White paper to tear and glue to paper to create snowmen or glue to a picture to create snow

Pipe cleaners to create snowflakes

Cotton swabs to create snowflakes

White paper, coffee filters, cupcake liners, and scissors to create snowflakes

Use a clothespin to pick up a cotton ball, dip it in paint, and create a picture.

White paper sacks to create snowman puppets

Quick Tip: Use the puppets in the dramatic play center or the literacy center.

Writing

Snowflake stickers and stencils

Snowman stickers and stencils

Blank books in shapes of snowmen

Fill zip top bags with shaving cream and have children use their fingers to make imprints on the bag.
